2015  
**Lead with Purpose**

The weekend is designed to help train people (grade 8 and up) who are involved or who would like to be involved in volunteering at Riverbend's holiday camps.

Over the weekend there will be a variety of different skill workshops where you will learn skills needed to be a cabin leader, supervisor, auntie, uncle, camp mum and dad, etc.

You will meet new people and be taught new things. We advise you to come to camp with an open mind and give everything a go.

Pastoral care will be available for you to make the most of.

All the usual camp rules apply during the weekend. Be respectful of other people and their belongings, no swearing. Phones are not permitted during any workshops. Remember you are here to learn how to be the best leader, Supervisor, auntie, uncle, camp parent possible. We will be looking at every one's behaviour over the weekend to see if you the right leader we need at upcoming camps.

Our main aim is to honour God in all that we say, think and do.

So come along and have a wonderful weekend of learning and fellowship.
